Thank you again for helping us spread the word, that we do have safer choices when it comes to fire protection.

WE LIVE IN AN HISTORIC 1870 HOME THAT'S BEEN IN THE FAMILY SINCE THEY FIRED THE FIRST BRICK ON SITE. THE HOUSE HAS SEEN MANY ELECTRICIANS OVER THE YEARS AND HAS WIRING SIGNATURES FROM THOSE TIMES, INCLUDING OLD KNOBS & TUBE. WITH ONE CHILD AT HOME AND ONE ON THE WAY, THE DECISION TO PROTECT OUR FAMILY AND OUR FAMILY'S HISTORY WAS AN EASY ONE, MADE EASIER WITH THE HELP OF DETECH. THANKS. WHEN MY GREAT GRANDCHILDREN OWN THE HOME, THEY'LL HAVE YOU (IN PART) TO THANK.
