

Please tell us what made you decide to protect your family with DeTech today!

Please print and sign your name at the end.

We are also asking your permission to have families that are considering using DeTech to protect their families to contact you by phone to inquire your opinion.

Thank you again for helping us spread the word, that we do have safer choices when it comes to fire protection.

AFTER SEEING THE PRESENTATION, I REALIZED
THAT WHAT ~~IS~~ AVAILABLE TO THE PUBLIC FROM
GENERAL RETAILERS IS NOT ENOUGH TO PROTECT
YOUR FAMILY IF YOU HAVE A FIRE. I WILL
REST A LOT EASIER KNOWING MY FAMILY IS WELL
PROTECTED WHILE I'M AWAY.
